Sponsoring

Please begin in earnest to pray for pilgrim sponsorship for the upcoming EOEE Walks. Remember that 2 forms are required to be completed in their entirety and that a Pastor's signature must be on the pilgrim form for acceptance along with a deposit toward the **\$140** fee. These forms can be printed from our web site: www.eoee.org. Also pray for these pilgrims in their walk of faith realizing that the purpose of the Walk to Emmaus is to build leaders in their local church. Pray for sponsors as they are making a commitment to attend sponsor's hour, candlelight, closing and also gather agape for their pilgrim. Please note that completed applications need to be submitted in a timely fashion to:

Message from the Board

Over the years all of you as the 4th day community of EOEE have been very generous in your giving. Not only have you been generous financially, but you have also been generous with various items that can be used to decorate the dining hall, tables, Chapel and other areas during the Walk Weekends. Right now we are challenged with storage space for those items. Going forward we will not be able to accept any donations for decorations to be left at Camp. Please do not leave any decorations at Camp.

Unfortunately, we will have to discard any items left at Camp. We appreciate your thoughtfulness in wanting to make those various items available for future Walks and ask that you do so in the following way. If you have something that you would like to make available for use by future Walks, please take a picture of it along with your name and contact information and make it available to the EOEE Board. We will keep the pictures of those items in a binder with your contact information for each Lay Leader and Walk team to review and make contact if they would like to borrow it from you.

Again, we appreciate your generosity!

As we take a break for Holy Week, the Team has grown closer week by week, having overcome several challenges along the way! When we return, we will be finishing last minute tasks and planning, and then we will commission God's team to be the Hands and Feet of Jesus. As a Team, we ask that you flood this Walk with abundant prayers as we get ready to welcome the next group of men to camp to begin the journey of their Walk. As we know, the Holy Spirit will be with us and God definitely has some great works planned!

Your Brothers in Christ,

Team of EOEE #94

The Agape of being a Sponsor

- The first step to sponsoring is praying for someone and listening for God's direction. After you have felt led to ask that person to go on a Walk to Emmaus, and they have accepted the invitation, your work as a sponsor has just begun. Here are some key points to keep in mind when sponsoring someone on an Emmaus walk:
- Sponsoring a Pilgrim is like being a Godparent
 - You are **adopting** them into your spiritual family;
- You are responsible for making sure their Emmaus experience outside of the weekend is the absolute best it can be.
- All the paperwork you need on the EOEE website. Make sure the paperwork is completely filled out, all forms get sent in, accompanied by a deposit, and signed by the Pilgrims pastor. Anything incomplete will delay the progress.
- Check to see if your pilgrim has any needs at home that they are concerned about while they are away on the Walk weekend.
- As a sponsor, you need to help take care of anything at home that would distract them from being totally engaged in experiencing the Walk weekend.
- Gather as much written agape as you can from anyone that would have a meaningful relationship with your pilgrim....it needs to be there by Saturday night
- Deliver your pilgrim to Camp on time,
- Make their bed.....help them unpack, introduce them to other
4th day
- Make sure you are present at Sponsors Hour

- Sponsors are responsible for their Pilgrims favorite snacks on the weekend.
- If they have special dietary needs, make sure the snacks you bring will accommodate those needs.
- Any personal Agape, other than written, that you might want to give your pilgrim has to fit in an Agape bag. Some Agape may need to be given on the way home.
- Make sure you attend Holy Hour and Candle light....
- Make sure you are attending Closing be on time or a little early to be there when your Pilgrim walks in the barn.
- A reminder no pictures or videos on the weekend, what happens at Emmaus, stays at Emmaus.
- Another reminder, the conference center is off limits until after closing has concluded
- You adopted this person into your faith family, help them find an accountability group, bring them to the next Gathering, help surround them in community

Remember that sponsoring someone to attend a Walk to Emmaus weekend carries a responsibility for helping, guiding, nurturing, and walking along side that person in their spiritual journey in their 4th days.
